

Decorà

Sistema Decorativo ad Effetto Antico

Consente di ottenere finiture in chiaroscuro adatte per ambienti in stile antico e rustico. Predomina un effetto velato, che sembra essere interrotto da piccole particelle di una speciale pittura, con un effetto tattile leggermente a rilievo.

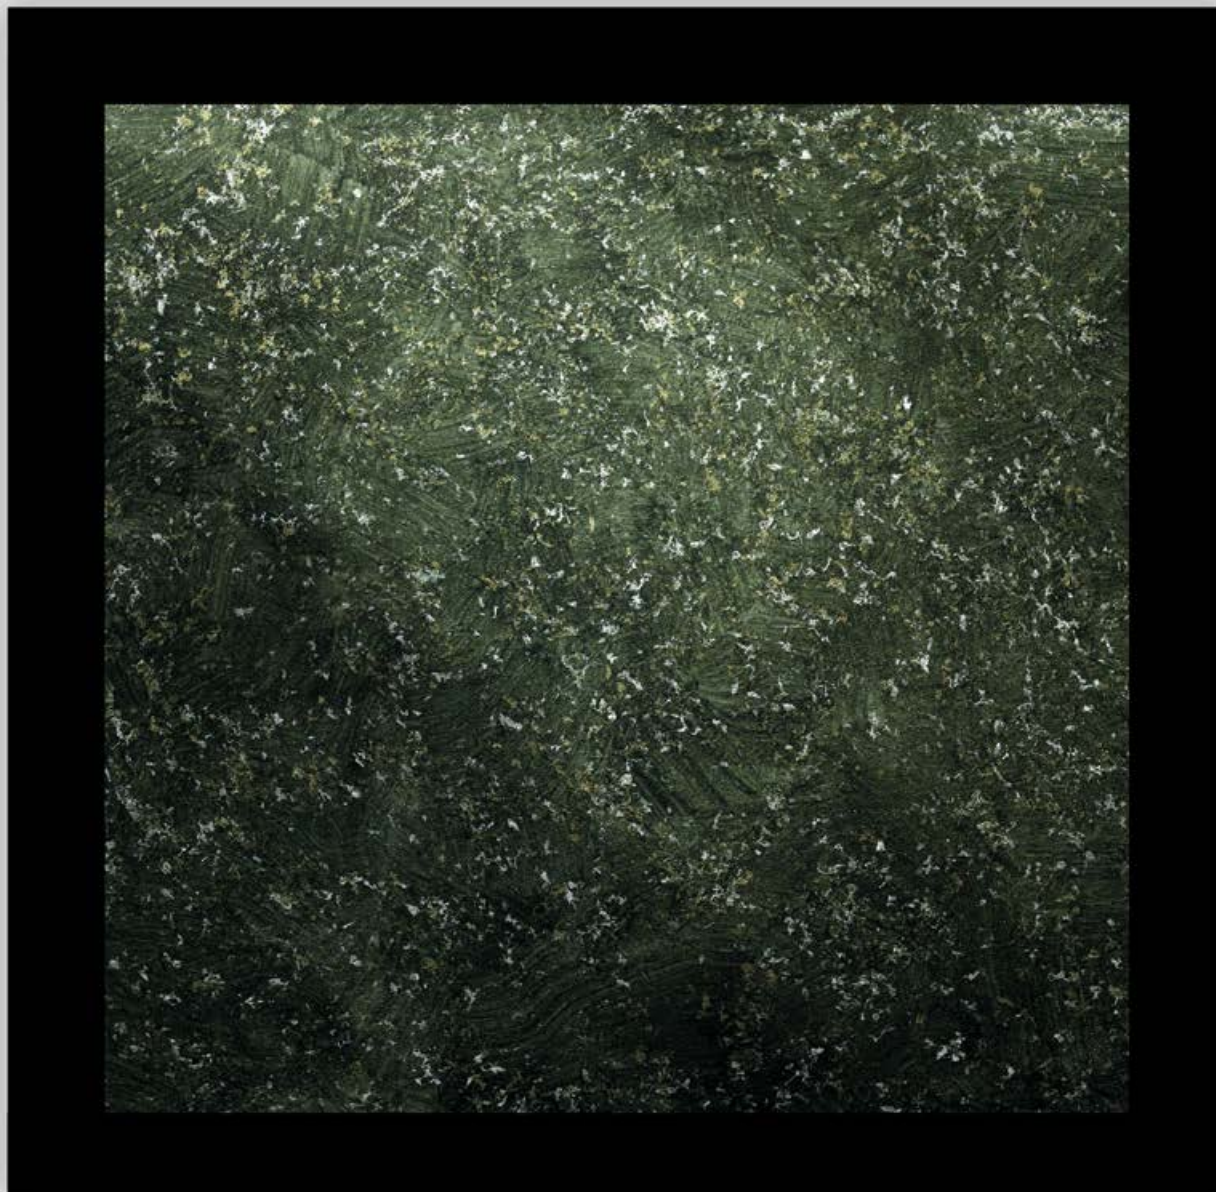

Antique - Looking Decoration System

Allows to obtain chiaroscuro finishes ideal for antique-looking and country - style settings. A veiled surface dotted by small particles that look like painting and feel like low -relief to the touch.

Улучшена изысканными ЗОЛОТЫМИ ХЛОПЬЯМИ

Позволяет получать контрастные покрытия, идеальные для создания античного и деревенского стиля. Вуалированная поверхность с мелкими хлопьями выглядит как художественное полотно с мелким рельефом.

Decorà Gold

Enriched by elegant gold flakes

Декоративная система
в античном стиле

Impreziosito da eleganti granelli d'oro

I colori di questo catalogo sono indicativi, poiché riprodotti tipograficamente; per garantire una più affidabile resa cromatica è indispensabile l'uso del catalogo Real Effect.

The colours reproduced in this catalogue may differ slightly from their originals; for more faithful colour reproduction, use a real Effect catalogue.

Decorà DeLuxe

L'eleganza dell'effetto perlescente,
per rendere unica e prestigiosa qualsiasi superficie murale!

Sistema decorativo ad effetto
perlescente ottenuto grazie alla
combinazione tra teneri
granelli colorati ed una grande
varietà di perle.

The elegance of pearlescent effect to make unique and prestigious any wall surface!

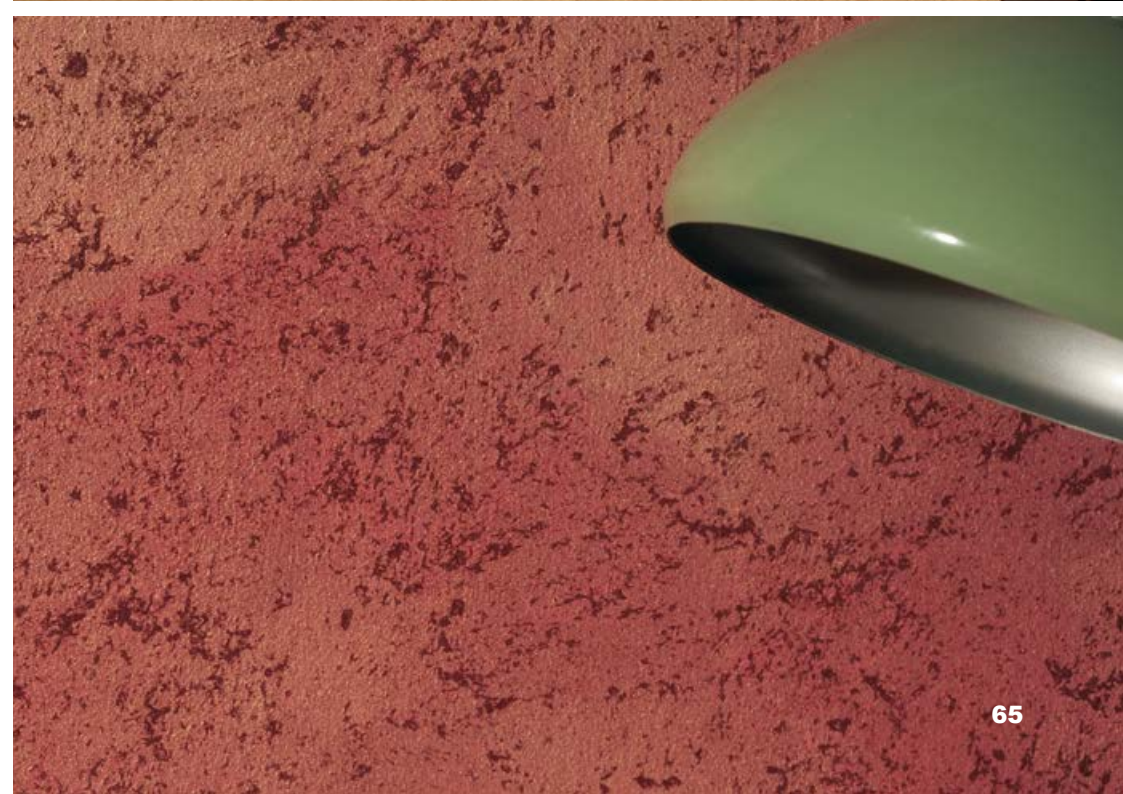

Decorative System with a pearlescent effect which is obtained through the combination of soft coloured grains and a vast variety of pearls.

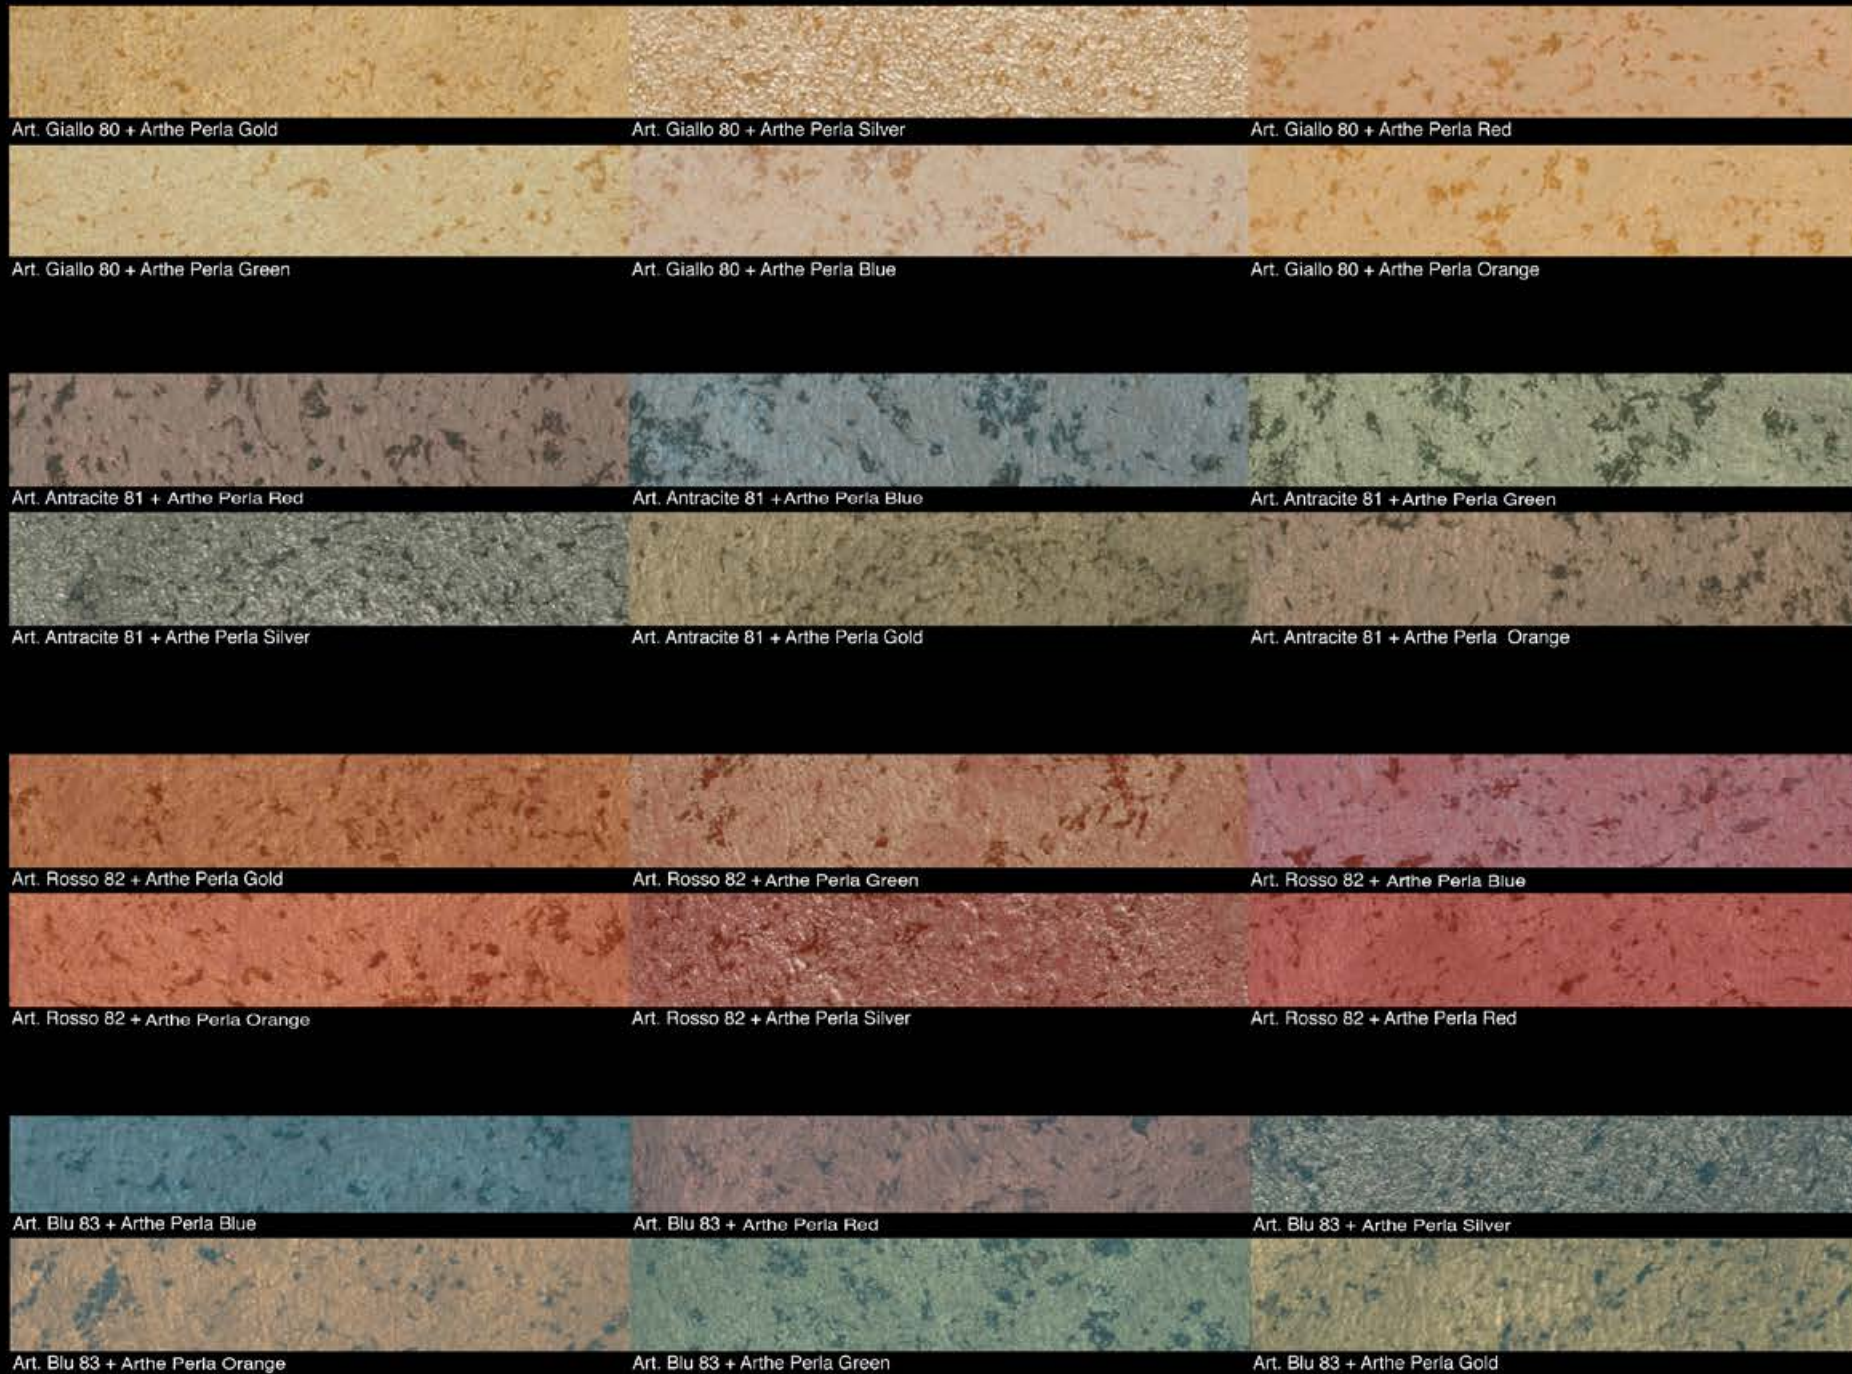

A photograph of a modern interior space. The walls are covered in a decorative wallpaper with a pearl effect, showing a mix of teal and grey tones. The ceiling is white with several circular recessed lighting fixtures. The overall atmosphere is clean and sophisticated.

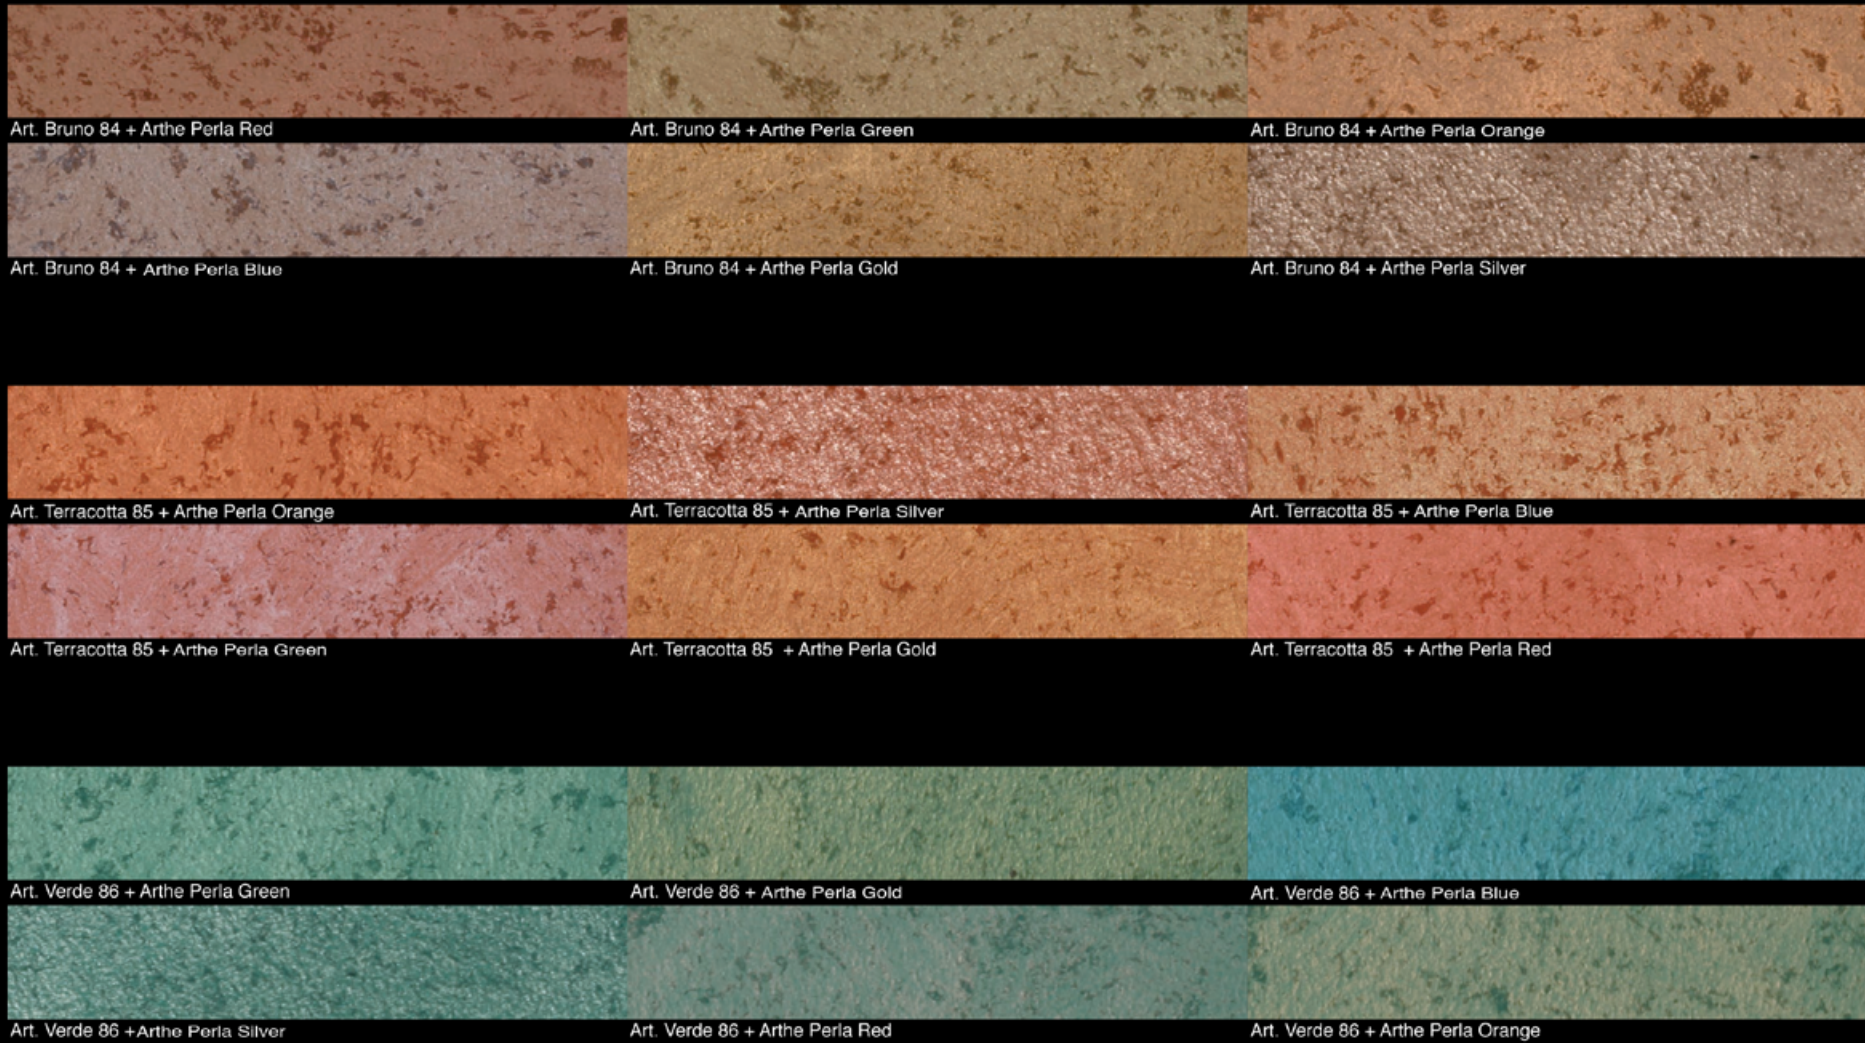

Уникальный и роскошный перламутровый эффект для любого интерьера!

Это декоративная система с перламутровым эффектом, которая достигается путем сочетания мягких цветных хлопьев с большим разнообразием перламутра.
